Home team determined by coin flip. Each team - Home and Away to supply six (6) baseballs every game.

There will be no brackets and/or championship game. Winning the SHOOTOUT is not the goal. We are here to get players exposure by providing quality competition and an opportunity to showcase their talent before intercollegiate and professional evaluators. We acknowledge that college coaches and MLB recruiters like to see as many pitchers as possible and we expect that each team will pitch a minimum of three (3) pitchers per game.
