Earlier note All teams have had 20* Games Scheduled. You can use this weekend to make-up any that have not been played or if you have played them all and want to schedule extra games, please advise. We can also hold a "mini-playoff" with the the top 2 or 4 teams but need teams to get in their 20 games before this weekend to plan. Also will need field availabilities. Please let me know - Also provide information on make-up games and missing field and game start times where noted to umpires & League. Thank you!
